MEMORANDUM FOR: Pierre Shostal
Dean, School of Language Studies
Foreign Service Institute

FROM: [redacted] STAT
Chairman, NFIB Ad Hoc Task Force on the
Linguist Problem

SUBJECT: Increased Intelligence Community Support to National
Foreign Language Training Programs [redacted] STAT

Attached is a copy of the draft DCID which I discussed with you this morning. As I told you, Mr. Carlucci has already approved the creation of the new Intelligence Community Foreign Language Training Committee for the Department of Defense including the four uniformed services, NSA, OSD, and DIA. The draft DCID is presently being coordinated within CIA and the FBI, and I anticipate no problems in either organization. When speaking to Ray Platig yesterday, I told him I was sending a copy of the DCID to you and he was delighted to know that you would be coordinating on behalf of the Department of State outside INR. Please let me know if you have any problems with the DCID or with the transformation of the Ad Hoc Task Force into a permanent DCI Committee. [redacted] STAT
